Dear Richard,

The ATCO EPIC Campaign Committee extends our sincere gratitude for your support of ATCO Midstream's 2009 employee fundraising campaign. Your donation of a Redi-Medic Emergency Kit to our online auction helped us raise over \$9,400 towards our charity campaign. Thank you!

Our October campaign saw 127 ATCO Midstream employees raise an outstanding \$100,646.50 from employee pledges, fundraising events and the online auction you kindly supported. With the generous match from ATCO Group, \$177,117 will be shared between 94 charitable organizations across Alberta. With your help our efforts will make a real difference in our community. When our success was combined with the ATCO Group of Companies in 2008, over \$2.3 million helped support more than 450 charitable organizations.

On behalf of the community groups that will benefit, all ATCO Midstream employees, and the ATCO EPIC Committee, thank you for your support. Your willingness to participate in such a meaningful way to the benefit the community is very much appreciated.

Warmest regards,

A handwritten signature in blue ink that reads "Pam Wilson".
